"Touched by Christ"

Sunday July 18 at 11:30

Colossians 1:15-23

Who?

Everyone! Not just kids!

Singles, families, grandparents, young marrieds, teens, children! Sign up at the Children's Ministry Table in the Gathering Area.

What?

After worship the Calvary Community will gather at Tunnel Park for a potluck picnic, music, and a time of small group faith formation.

When?

July 18 is the kickoff event. Each Small Group Leader will organize two more V.B.B.S. events for their group to join in later in the summer.

Where?

Our Kickoff event is at Tunnel Park. Small group leaders will determine the next time and location for their groups.

Why?

The mission of V.B.B.S. is to build community through cross generational faith formation activities. We hope to inspire God's children (of all ages and faith stages) to grow in their faith together by using the elements of wind, water, sand, and sun to engage small groups in faith truths. Recognizing the incredible and beautiful place that the beach is, we wish to encourage and enable all members of our community to experience God in a place that awakens the Spirit, fills us with peace, and inspires the soul.

V.B.B.S. Kickoff is the second of three events celebrating Calvary's 2010 summer theme of Worship through the Senses.
