ABOUT BLACKTOP REC

As an expansion of Calvary's year-round youth programs, Blacktop Rec is a supervised recreational ministry for K-5th grade students in the Holland Heights neighborhood.

Running for 9 weeks of the summer, Blacktop seeks to provide opportunities for the physical, social, emotional, and spiritual growth of the students we serve through on-site and off-site activities (as well as a free daily lunch).

Blacktop Rec runs Monday-Friday from 11am to 3pm.

COME SERVE WITH US

Join us in our neighborhood ministry by coming to serve for a week with your middle or high school youth group. Groups will assist our staff and volunteers in running our Blacktop program, interacting with a diverse group of youth from our community in our daily activities (field trips, pool day, games, etc.).

This week will stretch your groups' understanding of God's vision for service and provide an exciting entry into neighborhood ministry.

FOOD AND LODGING

Groups will stay here at Calvary Reformed Church. Our facilities will provide separate male/female rooms, individual showers, a gym, full-functioning kitchen, a game room with a pool table, air-hockey, foosball, ping-pong, and an entertainment system.

Meals will be provided each day. Breakfast and lunch will be served on site and dinner will be provided by a Calvary host family each night.

ACTIVITIES

Our on-site coordinator will challenge the spiritual growth of your group, and facilitate daily discussions and Bible studies based on your experiences. The coordinator will also oversee hospitality needs, lodging, meals, and evening activities.

Evening activities, such as a community outreach night (where groups will go with Calvary volunteers to a nearby high-needs neighborhood to interact with residents of all ages through basketball, games, snacks, etc) and cook-out at Lake Michigan, will be provided each night, Monday-Thursday.
